Education

Sir Syed University of Engineering & Technology

BS in Software Engineering (2022 – 2026)

Government Dehli College

Pre-Engineering (2020 – 2022)

About

Highly motivated developer skilled in frontend and backend technologies, with expertise in React.js, Next.js, Node.js, and Prisma. Passionate about creating impactful solutions and delivering high-quality code. Adept at teamwork and leadership.

Projects

- **E-Commerce Website:** Developed a responsive e-commerce platform with product listings, a shopping cart, and secure checkout processes for an enhanced user experience.
- **Online Dashboard System:** Created an online dashboard system that provides real-time data visualization and analytics, allowing users to monitor key metrics and make informed decisions.
- **AI Chatbot:** Built an AI chatbot with Python that utilizes natural language processing to engage users and respond to queries, improving customer support and interaction.
